

FRAMED OUTDOOR TVS

All Teak Wood Frames

Using sustainable Teak wood, Reflectel's Framed Outdoor TVs are the perfect addition to your outdoor space. Teak is best known for its durability and ability to resist water; it has the highest decay-resistance among all natural wood products. With its beautiful golden brown tones, Teak is the perfect natural element!

Reflectel can take your Teak frame to the next level by customizing the shape. From a streamline modern look to something more curved and elegant, the designers at Reflectel can help you find the perfect profile for that one-of-a-kind look.
