

FLOATER TV FRAMES

Streamline & Minimal

Reflectel Floater TV Frames are the newest, moderately priced way to adorn your television for a minimal, streamline appearance. Customize any Bespoke Series: Modern Wood, Mahogany, Leather, and Gilded. As well as select styles in our Signature Series.

Floater frames simply create a decorative edge around your favorite TV: LG, Sony OLEDs and Samsung QLEDs, as well as Samsung's Art TV called "The Frame".

Reflectel can customize to most sound bars on the market. We offer a wonderful array of speaker fabric covers to add that tailored look clients look for in a quality result.

Reflectel will beautify the look and feel to compliment every interior design scheme from the most traditional, to transitional, to contemporary and minimal.

Frame: Gilded Shaped, Yellow Gold
