PAINTED TV GLASS

A New Way to Conceal

Can you imagine a Mirror TV concealment with amazing TV transmission that doubles as a decorative element in your interior?

Interior Designers and AV Integrators have come to count on the creative team at Reflectel to make the television be not only a piece of technology but a work of art.

Our newest, sleekest frameless painted glass TV can either be water white float glass or our 70% Mirror TV glass.

Looking to add a modern touch and a pop of color to your Mirror TV? We can now trim your Mirror TV in any Benjamin Moore or Farrow and Ball paint color.
